Dear Customers

ARTRAY Co., Ltd.

End-of-Sale Announcement of Cameras Loaded with Sony CCD Sensors

We hope you are doing well and we would like to deeply thank you for using our cameras. In March of 2017, Sony Cooperation discontinued accepting orders for CCD sensors. Consequently, we will also discontinue to sell our cameras loaded with Sony CCD Sensors. Please be informed that applicable cameras will be discontinued subsequently as our stock of CCD sensors run out. Thank you for your understanding.

Description

1. End-of-Sale products

The models loaded with Sony CCD Sensors

2. Sales Termination Time

As soon as the present stock of Sony CCD sensors run out, applicable cameras start to discontinue.
